EXPERIENCE

July 11, 2022 - Present (Mumbai)

UI/UX DESIGNER | BILLMART FINTECH PRIVATE LIMITED

At BillMart Fintech Private Limited, I excelled in crafting both mobile and web designs using Adobe XD, while implementing high-fidelity prototyping to ensure optimal user experiences. Additionally, I actively contributed to front-end development by utilizing HTML and CSS. With a deep understanding of typography and color schemes, I consistently produced visually captivating designs. I take pride in my ability to deliver exceptional results within tight timelines, leveraging my efficiency to create outstanding designs.

May 17, 2021 - June 30, 2022 (Bangalore)

ASSOCIATE TECHNICAL ENGINEER | KYNDRYL (IBM)

Identity & Access governance including Role based access control, access request and certification. Execution of the access control re-validation based on agreed schedule. Gathering the required data from managed systems using IBM automated tools. Interlock with the system administrator teams to gather the necessary input. Process the received data and open service tickets to resolve the non-compliance discovered. Track the tickets until resolution. Document the process steps end-to-end and present it to IT Security auditors, if requested.

August 1, 2021 - April 1, 2022 (WFH)

UI/UX DESIGNER | FREELANCE

Over the course of nearly a year, I served as a freelance UI/UX designer, successfully delivering impactful design solutions for two local businesses.
